In order to be in compliance with Title IX requirements, our school district is conducting a self-evaluation of our athletic programs to determine if we are providing equal athletic opportunities for both boys and girls. As the Building Athletic Director or Designee, your role is to collect the completed TEAM Worksheets to provide accurate information to complete the following questions. Your input will allow your District Athletic Director, Title IX Coordinator or Designee to ensure that your district is aware of any issues or concerns you may have within your Building Program.
